v.

and

STATE OF UTAH, et al.,

and

Nos. 15-4151, 15-4152, 15-4153, 15-4155, 15-4158
(D.C. No. 2:12-CV-00257-DAK)
(D. Utah)

ORDER

Before **BACHARACH** and **PHILLIPS**, Circuit Judges.

These matters are before us on a *Joint Motion for a Limited Remand of the Matter for Further Proceedings in the District Court and to Retain Jurisdiction over the Appeals Pending a Ruling*. The Petitioner-Appellees, Federal Respondent-Appellants, and Intervenor Respondent-Appellants Blue Ribbon Coalition, Colorado Off-Highway

Vehicle Coalition, and Trails Preservation Alliance (OHV groups) (collectively, the settling parties) request a limited remand to the district court for additional proceedings in connection with their settlement agreement. None of the parties to these consolidated appeals oppose the motion for limited remand.

Upon consideration, the motion is granted. These matters are partially remanded to the district court so the district court can decide a motion to vacate its prior merits and remedy rulings and judgment, dismiss all claims with prejudice, and retain jurisdiction over certain provisions of the settlement agreement.

Pending disposition of the motion to vacate, these appeals shall remain abated. **Within 30 days** from the date of this order, the settling parties shall file a written report advising this court as to the status of the proceedings in the district court. The settling parties shall notify this court in writing within 14 days of a ruling by the district court on their motion to vacate.
